Visiting Qualifying Patients: Out of State Registration

A marihuana sales location may sell or transfer marihuana or marihuana product to a visiting qualifying patient if all the following are met:

Rule 5(3) in the Marihuana Sale or Transfer Rule Set – R 420.505(3)

- (a) The licensee verifies that the visiting qualifying patient has a valid unexpired medical marihuana registry card, or its equivalent issued in another state, district, or territory, commonwealth, or insular possession of the United States that allows the medical use of marihuana.
- (b) The licensee confirms that the visiting qualifying patient presented his or her valid driver license or government-issued identification card that bears a photographic image of the visiting qualifying patient.

Based on available data, the following states are currently issuing medical marijuana cards or registration certifications to patients:
